**Reason:** Technical correction and add funds to salary line

**From Account(s):** 521200, \$19,937.13

**To Account(s):** 520825, \$9,937.00; 501005, \$10,000.00;

**Total Amount of Transfer:** \$19,937.13

**On what date did it become apparent that the receiving account would require an infusion of funds in order to meet current obligations? What was the balance in the account on that date, and what was the balance 30 days prior to that date?**

N/A

**How was the account used for the source of transferred funds identified? List any other accounts that were also considered (but not used) as the source of the transferred funds.**

The account is used for professional services, there was never an intent to create line 521200

**Identify any projects, purchases, programs, contracts, or other obligations that will be deferred, delayed, or canceled as a result of the reduction in available spending authority that will result in the account that funds are transferred from.**

N/A

If the answer to the above question is “none” then please explain why this account was originally budgeted in a manner that caused an unobligated surplus to develop at this point in the fiscal year.

Line 521200 was incorrectly placed in 15th district budget, this transfer allocates funds appropriately

**COMPREHENSIVE GUN CONTROL**

**WHEREAS**, according to national statistics, every year in our country, a firearm is used in nearly 500,000 crimes, resulting in the deaths and injuries of more than 110,000 people; and

**WHEREAS**, according to statistics from USA Today, between 2006 and 2017 there were mass shootings approximately every 16 days in the United States, with the most recent incident in Parkland Florida sparking a renewed and broad sweeping national conversation on the need for common-sense gun solutions to keep our citizens safe while protecting the 2nd Amendment; and

**WHEREAS**, in Chicago and Cook County, particularly minority communities that often have the greatest economic needs, gun violence is a traumatic and daily occurrence that has reached a crisis point, prevents economic growth and leads to increased incarceration and the perpetuation of the cycle of violence; and

**WHEREAS**, according to statistics in 2017, there were 743 homicides as a result of gun violence in Chicago and Cook County; and

**WHEREAS**, gun violence has taken a massive toll on Cook County, taking the lives of countless men and women, many young, leaving physical, psychology, emotional scars for the victims and their families that survive, and producing untreated and pervasive trauma in communities, individuals and children; and

**WHEREAS**, the effects and costs of gun violence can be seen throughout the county in our criminal justice system, included but not limited to the offices of the Sheriff, State's Attorney, and Public Defenders, the hospital system, and Medical Examiner's Office; and

**WHEREAS**, the time is now for comprehensive gun control laws. It is time for our federal and state representatives to take a stand on this crisis; and

**WHEREAS**, Cook County echoes President Donald Trump's call for strengthened background checks, the ban of bump stocks and raising the age from 18 to 21 for the purchase of assault-style weapons; and

**WHEREAS**, Cook County calls upon its residents to reach out to their elected officials to urge the passage of a variety of common-sense gun control policies in Springfield, including but not limited to requiring gun dealers to be licensed, strengthened background checks, and banning the use of military-style weapons, high capacity magazines and the civilian sale of body armor.

**NOW, THEREFORE, BE IT RESOLVED**, a step toward more comprehensive gun safety laws is a step in the right direction because every gun death, is one too many; and

**BE IT FURTHER RESOLVED**, the Cook County President and the Cook County Board Commissioners call upon Washington D.C. and the State of Illinois to pass comprehensive gun control laws immediately to protect all residents of our country.

**WHEREAS**, the Cook County Board of Commissioners has adopted a Real Property Assessment Classification 6b that provides an applicant a reduction in the assessment level for an abandoned industrial facility; and

**WHEREAS**, the Cook County Classification System for Assessment defines abandoned property as buildings and other structures that, after having been vacant and unused for at least 24 continuous months, have been purchased for value by a purchaser in whom the seller has no direct financial interest; and

**WHEREAS**, in the instance where the property does not meet the definition of abandoned property, the municipality or the Board of Commissioners, may determine that special circumstances may exist that justify finding that the property is abandoned for purpose of Class 6b; and

**WHEREAS**, in the case of abandonment of less than 24 months and purchase for value, by a purchaser in whom the seller has no direct financial interest, the County may determine that special circumstances justify finding the property is deemed abandoned; and

**WHEREAS**, Class 6b requires the validation by the County Board of the shortened period of qualifying abandonment in cases where the facility has been abandoned for less than 24 consecutive months upon purchase for value; and

**WHEREAS**, the municipality states the Class 6b is necessary for development to occur on this specific real estate. The municipal Resolution cites the qualifications of this property to meet the definition of abandoned with special circumstances; and

**WHEREAS**, industrial real estate is normally assessed at 25% of its market value, qualifying industrial real estate eligible for the Class 6b can receive a significant reduction in the level of assessment from the date that new construction or rehabilitation has been completed, or in the case of abandoned property from the date of substantial re-occupancy. Properties receiving Class 6b will be assessed at 10% of the market value for 10 years, 15% for the 11th year and 20% in the 12th year.

**NOW, THEREFORE, BE IT RESOLVED**, by the President and Board of Commissioners of the County of Cook, that the President and Board of Commissioners validate the above-captioned property is deemed abandoned with special circumstances under the Class 6b; and

**BE IT FURTHER RESOLVED**, that the County Clerk is hereby authorized and directed to forward a certified copy of this Resolution to the Office of the Cook County Assessor.

Approved and adopted this 25th of April 2018.

**URGING THE STATE OF ILLINOIS TO ENACT OPIOID PRESCRIPTION LIMITS**

**WHEREAS**, the opioid epidemic in our country has risen to extreme levels, causing the deaths of tens of thousands of Americans, and billions of dollars in economic costs; and

**WHEREAS**, according to the U.S. Department of Health and Human Services, in 2016 116 people died every day from opioid-related drug overdoses; and

**WHEREAS**, 42,249 people died from overdosing on opioids in that year alone; and

**WHEREAS**, of those deaths, 17,087 were the result of overdosing on commonly prescribed opioids; and

**WHEREAS**, the cost of these drugs totaled \$504 billion in 2016; and

**WHEREAS**, most recently, the state of Florida passed a bill to combat this crisis by instituting prescription limits on opioids and increasing funding for treatment; and

**WHEREAS**, Florida will be the 25<sup>th</sup> state since 2016 that has passed legislation that imposes some limits or guidelines on opioid prescriptions, and only the 3<sup>rd</sup> to create statutory limits of three or four days for Schedule II painkillers like OxyContin and Fentanyl; and

**WHEREAS**, Illinois is not one of the states with any of these imposed limits, and as a result the opioid epidemic remains relatively unchecked; and

**WHEREAS**, Pharmaceutical Research and Manufacturers of America (PhRMA) now supports policies limiting the supply of opioids for acute pain treatment; and

**WHEREAS**, PhRMA has concluded that too often, individuals receive a 30-day supply of opioid medicines for minor treatments or short-term pain, and that overprescribing and dispensing can lead to patients taking opioids longer than necessary or to excess pills falling into the wrong hands; and

**NOW, THEREFORE, BE IT RESOLVED**, that the members of this board, as public servants to the residents of Cook County, urge the Illinois General assembly to pass comprehensive legislation to limit prescriptions to these opioids to five days in order to combat the crisis currently affecting our communities and state as a whole.
